Building a Legacy of Care

CELEBRATING 25 YEARS ON THE HELZBERG CAMPUS

A Commitment to Community

Dr. Irene Bettinger, MD, has been a guiding presence at Village Shalom, combining leadership, generosity, and a heartfelt dedication to residents. As a past chair of the Board of Directors, she helped shape the vision and growth of Village Shalom, ensuring it remained a place where seniors thrive in a vibrant Jewish community. Her late husband, Leonard, also previously served as board chair at our predecessor, Shalom Geriatric, from 1989-92.

Making a Difference

Beyond her leadership role, Irene has been a wealth of knowledge in the Jewish community and in preserving Village Shalom's history. Her deep understanding and commitment have enriched the organization, ensuring its legacy and values are carried forward for future generations.

Connecting Personally

For many years, Irene has hosted the **Bettinger Brunch**, a special gathering for residents that allows her to meet them all, share stories, and strengthen the sense of community. She also sponsors the **Heller Bettinger Music Series**, bringing live music to Village Shalom and enriching residents' daily lives with performance and joy.

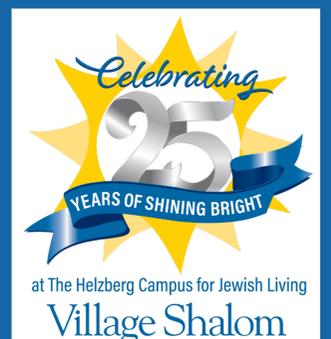

A Legacy of Care

Through her work with the **Leonard and Irene Bettinger Philanthropic Fund** and countless personal contributions, Irene has left a lasting mark on Village Shalom. Her commitment goes beyond boards and campaigns—it's about people, their well-being, and the values of a strong Jewish community.

“No one has been a stronger advocate for Village Shalom than Irene Bettinger. She inspires all of us by showing what it really means to give of yourself to help others.” -Jim Klein
