## Building a Legacy of Care

CELEBRATING 25 YEARS ON THE HELZBERG CAMPUS

Our family's connection to Village Shalom is filled with cherished memories and meaningful contributions. Bobby Epsten and Barnett Helzberg each spent time in the rehabilitation wing, where they held court over breakfast with friends and family—sometimes straight through lunch—often joking about leading a campaign to add bacon to the menu.

The Epsten Gallery, a vision started by Bobby and Jacqueline, and later led by Ginny Epsten as board president, brought thought-provoking art to enrich residents and visitors alike. Jonny Girson (son-in-law) served six years on the board as treasurer, helping guide the expansion of Independent Living apartments.
