## Building a Legacy of Care

CELEBRATING 25 YEARS ON THE HELZBERG CAMPUS

Shirley and Barnett Helzberg, two of Kansas City's most caring philanthropists, have devoted their time, energy, and resources to meaningful projects locally and nationally—leaving a lasting impact on Village Shalom.

Barnett spent time in rehabilitation at Village Shalom, where he received exceptional care and enjoyed physical therapy and visits to the Epstein Gallery—a favorite gathering place for theater, music, and art.

Through her volunteer work at the Jewish Geriatric Center, Shirley saw first-hand the dedication of the staff and the dignity they bring to residents. As a Board member in the late 1990s, she helped guide the move to a new Kansas campus—ushering in a 21st-century approach to senior living.

The Helzbergs' lead gift for the Capital and Endowment Enhancement Campaign made the Helzberg Campus for Jewish Living possible. They remain champions of Village Shalom's mission—supporting its growth, innovation, and commitment to welcoming all who need care, regardless of financial means.
