Shalom Geriatric Center and Village Shalom have been part of the Krigel family's story for decades. Sandy Krigel's involvement began in the late 1970s on the Associate Board of Shalom Geriatric Center. As Board Chair, he helped establish Village Shalom and secure the Overland Park property it now calls home. He continues his service as legal counsel, while he and his wife, Erlene, sponsor and participate in the annual Father's Day Run/Walk for memory care.

Peggy Krigel, Sandy's mother, contributed through the 2006 Helzberg Gala and the Epsten Gallery. In 2010, what began as a short stay for Peggy became her home, where she spent her final months surrounded by the community she had long championed.

*"The care we once worked to ensure for others became the care our family received—an enduring blessing for which we are deeply grateful."*

— Mr. Sandy Krigel

Proud to be part of the story that shaped 25 years on the Helzberg Campus.
