## Building a Legacy of Care

CELEBRATING 25 YEARS ON THE HELZBERG CAMPUS

### Memories by Shelly Silverman

#### A Family Committed to Care

Our family's connection to Village Shalom spans generations. My grandmother, Anna Maizlish, volunteered at the Jewish Home for the Aged/ Shalom Geriatric Center before moving in during the early 1980s, and my grandfather, Lewis Goldberg, lived there in the late 1970s. Both of my parents were deeply involved, and my father served as board chair.

#### Celebrating 25 Years

The anniversary honors the dedication of countless individuals whose generosity and commitment ensure Village Shalom thrives for the future.

#### Cherished Memories

Village Shalom has always been a place to live fully with dignity and opportunity, not just a place to age. My mother, Eileen Silverman, currently resides in the independent living apartments and enjoys a vibrant life.

#### Giving Back

I volunteered in my teens and later served as board chair of the Associate Board, helping launch the May Day Run, now the annual Father's Day Run.

*“Village Shalom reflects the Jewish value of caring for all elders, providing exceptional care and community for generations”*
